GENERAL RULES

1. Flowers shall be shown in containers as supplied by the Society, except in basket, bowl and vase classes for which exhibitors shall provide their own containers. This Society will not be responsible for loss or damage to any container.
2. Exhibitors MUST show the name of every displayed exhibit on the entry tag, including the basket, bowl and vase classes.
3. Exhibits must have the Classification part of the entry tag completed. If help is needed, see any Senior Dahlia Judge.
4. All blooms exhibited, except in the Floral Design section, must have been grown by the exhibitor.
5. Exhibitors may make as many entries as they desire in any class, provided the entries are of different varieties, except in the Floral Design classes where only one entry will be accepted.
6. Points will be awarded in all classes except seedlings.
7. Judges may withhold awards when entries are deemed to be unworthy. Decisions of the judges shall be considered final. Judges must disqualify themselves from judging or influencing the judging in any classes where they have an interest. Complaints must be brought forward within 2 hours of judging completion.
8. To be eligible for a higher award, an exhibit must have won a first in its class. **If an exhibit has won in its class, and it was the only entry in that class, then it must receive a "Best of Type" ribbon (where applicable - Section 1-10) and also a Section Champ ribbon.**
9. Best Dahlia in Show will be selected from the best single entry in Sections 1, 3, 5, 7, 9, 11, 13, 15, 17, 19, 21, 23, 25, 27, 29, 31, 33, and 35. Best Triple in Show will be selected from the best triple entry in Sections 2, 4, 6, 8, 10, 12, 14, 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, and 36.

10. Entries placed in the wrong class as to colour or type may be properly placed and classified by the Judges Chair or a Senior Judge, but this must be done before judging of the section begins.
11. A vase is defined as a container having a diameter at the mouth less than the measure of its height.
12. A bowl is defined as a container having a diameter at the mouth at least equal to, but usually greater than, its height.
13. A basket is defined as a decorative container with a fixed handle.
14. Where the words "any foliage" appear in connection with a section or class, it signifies that foliage other than dahlia self-foliage may be used. Foliage may be used to enhance the decorative effect. Statice, gypsophyllia or other minutely flowered plants (sometimes referred to as filler) may be considered as foliage.

15. CLASSIFICATION

- All entries are to be classified in accordance with the latest ADS Classification Book in which it appears. Use the Pacific Northwest Supplemental Listings (page 90 / 91) where applicable.
- Classification includes all of the following cultivar information:
Name Type Size Colour
- Classification information must be provided on the entry tags. **The Exhibitor must know the name of the cultivar, or if it is a new cultivar not yet named, provide a code number.**

The Classification Sheet provided at the Show for unclassified cultivars is expected to be filled out prior to the Show or the day following, and then handed to the Show Secretary.

16. EXHIBITOR CATEGORIES

- | | |
|----------------|--|
| OPEN | Senior Judges and exhibitors who have exhibited at the amateur level for three years / seasons at Dahlia Shows
Entry Tags: WHITE |
| AMATEUR | Exhibitors who have exhibited at the novice level for three years / seasons at Dahlia Shows

Sub Total	100

Proportion refers to the arrangement of blooms and foliage as related to each other and to the container.

Distinction refers to the overall effect of colour, harmony, artistic values of material, condition of basket and plant material, and overall neatness.

A Basket is a container with a handle, which may or may not be concealed according to the desired effect. Points should not be taken off if the handle is showing, unless the total effect is marred.

Vases and Bowl definitions can be found under General Rules at the beginning of the Catalogue.

Any foliage that is minutely flowered, such as statice, gypsophyllia, etc., may be used in basket and bowl classes. The exhibitor should take care that the foliage and filler material is suitable and does not detract from the display of the blooms. Artificial supports are not allowed.
